Canadian private school offering Ontario  
Secondary School Diploma credits to  
students within Canada and globally

Grade12 Admission

## Pathways to graduate

When a student enters a Canadian school, they will take 8 courses over the course of 10 months. Depending on what they want to pursue in post-secondary education they will pick their courses.

Here are example pathways to choose from:

	<b>Engineering</b>	<b>Health Science</b>	<b>Business</b>
Semester 1	ESLE	ESLE	ESLE
	Advanced Func	Advanced Func	Business Leadership
	Physics	Chemistry	Elective
	Chemistry	Elective	Elective
Semester 2	English 12	English 12	English 12
	Calculus	Calculus	International Business
	Elective	Biology	Elective
	Elective	Elective	Elective

## Elective Courses

We have many courses to choose from in Grade 12. Here is a list of courses available to cater to different interests of students.

MHF4U - Advanced Functions

PSK4U - Introduction to Kinesiology
HIP40 – Personal Life Management
HHS4C - Families in Canada
MAP4C - Foundations for College Mathematics
HFA4U - Nutrition and Health
CLN4U – Canadian and International Law

## Post-Secondary Guidance

All students at NorthCan Academy receive guidance to help transition from their secondary to post-secondary school journey. Students receive guidance in the following areas:

- Which courses do I need to get into a specific program?
- How can I get accepted into a competitive program?
- How do I apply to University or College?
- What is the best program for me?
- What are deadlines to keep in mind when applying?
- How do I accept my offer of admission?

Whether you apply to Universities in Canada or abroad we have got you covered with the best possible guidance you need.
